The Highlanders had a close call with the ders yesterday, but took advantage the latter's misplays and won an eleven ning game. They are now more comably settled in second place, as the roits lost again in Boston. The spurtog Athletics with the renowned Bender in e box shut out the Chicagos, making twelve straight for the Athletica if one tie game doesn't count. NEW YORK (A. L.), 8; ST. LOUIS (A. L.), 7. The Highlanders and Browns had a frantie time yesterday trying to come to a positive result, the Highlanders by keep-ing everlastingly at it, winning in the elev-enth inning. The two teams scored in batches of threes and twice the New Yorks ed the score, once in the tenth inning. The battle was a saturnalia of loose pitching, error making and sudden run making rallies, erratic but exciting. In the latter art the spectators were in a constant roar. Two players were burt running for third Killifer and Channell. The latter

The Browns plastered Jack Warhop to the Browns plastered Jack Warhop to the bench in the fourth inning. Tom Hughes did well until the tenth, when he took a larruping, but Jim Venghn was invulnerable in the one inning he pitched. Gillizan, who was wild and hovering on the verge of an ascension all the time, tept the hits back in good shape until the eighth inning, when he was batted out. Balley also was wild and was saluted with sufficient clouting in the tenth to send him into retirement. Jack Powell was the third St. Louis relief, and the prevalent aliment of poor control seized him in the eleventh and opened the door to the deciding run. a fly with notody out and Hughes lumbled a bunt. Hughes, however, had a fast outcurve working well by this time and the next three batters sliced the ball for ineffectual raps.

The overture for New York's half of the eighth was a stroil by Hemphill of the flagging Gilligan. Hemp stole second as Wolter struck out. Nonody covered second on Hemphili steal. Chase lofted a two bagger deep into Stone's meadow and Hemphili totated home. Laporte, who was a handy lad with the stick, drilled a single to left and brought Chase home. Laporte was batted home by Cree.

The Browns cut loose on Hughes in the tenth and with the aid of a fumble by Roach, a missed grounder by Gardner and venomous punches by Griggs and Hartzell rushed into the lead with three runs. The New Yorks looked to be down for the count after this outburst, but weren t by a good deal wolter struck out, but Chase and Laporte took advantage of Bailey's unsteadiness and worked him for four bails each. Abtein made an awkward grab at Roach's grounder and missed it and Chase came of Roach was forced by Cree, Laporte being allowed to score on the play. What the Browns care about that run with two out? Gardner spilled a grounder which tripped merrity between Griggs's gree, and kleinow was there with a third single, the same scoring Cree, Kleinow and Kleines and Koopman; Newlin and Briggs, and kleines was acted by Stone, who jumped and hauled down the bail with one hand.

Powell issued passes to Hemphill and Wolter in the tenth and Chase cleaverly.

Batteries—Robertalile, Readon and Fischer. Minnehan, Scanlon and Foster. Unpire—Knee-land.

Powell issued passes to Hemphill and older in the tenth and Chase deverly endeed them along. There were two likes on Laporte when that stout clubster strengt a beginned it to centre and brought emphill to his journey's end.
